

Coronavirus Notice

Due to the recent executive order by Andrew Cuomo, governor of NYS, asking all citizens to shelter in place, American Print Manage-IT will be limiting our daily work force and hours. As part of the order, the governor has made a distinction regarding essential businesses, which are encouraged to remain open and operational to the safest extent possible.

APM finds it necessary to continue operations to effectively support our health care clients and other essential businesses with MPS supplies and service. In remaining open, our employees will observe the upmost safety for their health and the health of our clients. APM remains truly committed to our clients during this time of crisis.

If you have any questions, please do not hesitate to reach out to your customer service representative or call us at 585.424.7500.

We greatly value your partnership and are here to support you in any way we can.

Your American Print Manage-IT team.
